

Learning To Fall

Boys Like Girls

Today's the day
The worst day of my life
You're content it hurts me
I don't know why The cost of misery
Is at an all time high
I keep ahead and
Close to the surface in sight I'm learning to fall
I can't hardly breath
When I'm going down
Don't worry 'bout me
Don't try this at home
You said you don't see
I don't want to know that you know
It should have been me Could you be with him
Or was it just a lie?
He doesn't catch you like I do
And you don't know why You change your clothes and your hair
But I can't change your mind
Oh, I'm uninvited
So unrequited now I'm learning to fall
I can't hardly breath
When I'm going down
Don't worry 'bout me
Don't try this at home
You said you don't see
I don't want to know that you know
It should have been me Words screaming in my head
Why did you leave?
And I can't stop dreaming
Watching you and him
When it should have been
It should have been me Today's the day
The worst day of my life I'm learning to fall
I can't hardly breath
When I'm going down
Don't worry 'bout me
Don't try this at home
You said you don't see
I don't want to know that you know

It should have been me
