

In Spite of it All (Canadian Idol 3 Finale)

Kalan Porter

I'm through with love
Love's through with me
I guess I've messed up one time too many
Can't get it together I've gone to the wall
I've made it this far
In spite of it all
In spite of it all You knock me down
When you come around
You take my heart
Tear it apart You mess around
Confess it now
Y'want me to crawl
But I'm standing tall
In spite of it all
In spite of it all
In spite of it all I'm done with you
You're done with me
Don't make it hard
Why can't you see
You're wasting my time I spend it all on you
I'm not gonna fall
In spite of it all
In spite of it all You knock me down
When you come around
You take my heart
Tear it apart
You mess around
Confess it now
Y'want me to crawl
But I'm standing tall In spite of it all
In spite of it all
In spite of it all You lose me
You confuse me
Don't use me
Then refuse me You're lying
I'm trying
I'm done with
Your denying You knock me down
When you come around

You take my heart
Tear it apart You mess around
Confess it now
You want me to crawl
But I'm standing You knock me down
When you come around
You take my heart
Tear it apart You mess around
Confess it now
Want me to crawl
But I'm standing tall In spite of it all
In spite of it all
In spite of it all
