Break the Walls

Naked Aggression

Don't tell me what to do, don't tell me what to think,
don't tell me how to act, I want to be this way.
Don't tell me that I'm wrong, dont tell me I'm fucked up,
don't tell me I make mistakes, I want to be this way.
(chorus)
I want to burn the church, burn the state,
burn the money that makes us hate.
These institutions currupt us all, break them down, get rid of the walls.
Society tells us how to be, I won't listen cause I want to be free.
There's nothing civil about a civilization,
I dispise this oppressive nation.
You've got to, you've got to face reality (x4)
I don't believe in god, I don't salute the flag,
I don't want to be rich, I choose to be this way.
I don't do as I'm told, I don't blindly follow,
I don't obey authority, I want to live this way.
(chorus)
Break the walls, Break the walls, Break the walls down!
