

It's Over Now (1997 Digital Remaster)

Joey Albert

You

You turned and walk away

I didn't know what to say

I closed my eyes to hide

The pain I felt inside

I could never understand

How love went out of hand

And now there's nothing I can do Though the feeling hasn't passed

Sad to say our love didn't last

Please don't ask me to pretend

'Cause I know it's over

When I'm done forgetting you

You can say what you wanted to

Please don't ask me to pretend

'Cause I know it's over now

Now I'm left here all alone

A heart without a home

How will I ever find

The love I left behind

Once, the days were ours to share

Now you don't even care

And there's still nothing I can do Though the feeling hasn't passed

Sad to say our love didn't last

Please don't ask me to pretend

'Cause I know it's over

When I'm done forgetting you

You can say what you wanted to

Please don't ask me to pretend

'Cause I know it's over now...

Though the feeling hasn't passed

Sad to say our love didn't last

Please don't ask me to pretend

'Cause I know it's over

When I'm done forgetting you

You can say what you wanted to

Please don't ask me to pretend

'Cause I know it's over now (Instrumental) Though the feeling hasn't passed

Sad to say our love didn't last

Please don't ask me to pretend

'Cause I know it's over
When I'm done forgetting you
You can say what you wanted to
Please don't ask me to pretend
'Cause I know it's over now
