Movement

Hozier

I still watch you when you're moving
As if through water from the bottom of a pool
You're moving, without movement
When you move, I'm movedYou are a call to motion
There's all of you avert in perfect view
Like Jonah on the ocean
When you move, I'm movedWhen you move, I'm put to mind
You're all that I wanna be
When you move, I could never define
All that you are to meSo move me baby
Shake like the bough of a willow tree
You do it naturally
Move me baby
You are the right of movement
It's reasoning made lucid and cool
And I know it's no improvement
When you move, I'm movedYou're Lester Young in leaping
Or Fred Astaire in sequence, honey you
You're Atlas in his sleeping
When you move, I'm movedWhen you move, I can recall
Something that's gone from me
When you move, honey
I'm put in awe
Something so flawed and freeSo move me baby
Shake like the bough of the willow tree
You do it naturally
Move me baby
So move me baby
Like you've nothing left to lose
Nothing to prove
Move me babyMove like grey skies
Move like a bird of paradise
Move like [?] northside [?]Shake like the bough of the willow tree
You do it naturally
Move me babySo move me baby
Like you've nothing left to lose
Nothing to prove
Move me baby
