Constant Danger

Doro Pesch

Give my heart to any stranger
Throw my heart out any door
Put my heart in constant danger
I don't want it any more
It just get's me in trouble
It just get's me in love
I fly high and then I stumble
The time has come to give it up
Don't you know I was an angel
Don't you know my heart was true
The I gave it to some devil
And he broke it all in two
I don't want it any more
You can learn all my hearts secrets
You might see gold and memories

Anything you find just keep it
It just don't mean a thing to me
Don't you know I was an angel
Don't you know my heart was true
The I gave it to some devil
And he broke it all in two
And I don't need it any more
Don't you know I was an angel
Don't you know my heart was true
The I gave it to some stranger
And he broke my heart in two
And I don't want it any more
