Lord, I Trust You

Selah

It may not seem my heaven it will take
I fear that in the face of trial I'll brake
Any troubles just a day away
Lord, I trust youThe best, the worst of day is yet to come
The glorify regardless of the cost
The magnify where the joy allows
Lord, I trust youLord, you are life and sacrifier
Lord, you are the grace that rises higher
Oh there will never be the day that you are not with me
Oh Lord, I trust you
I believe but help my unbelief
Help me go wherever you will lead
Do with me whatever you will please
Lord, I trust youLord, you are life and sacrifier
Lord, you are the grace that rises higher
Oh there will never be the day that you are not with me
Oh Lord, I trust youI can't find the strength to pray
They all seems lost and it's too late, Oh
Cannot fear what comes my way
Then find me faithful in that day
Cause the only hope I have is you will be enough
Lord, you are life and sacrifier
Lord, you are the grace that rises higher
Oh there will never be the day that you are not with me
Oh Lord, I trust you
Oh Lord, I trust you
