

Cheri Love Affair

[G.G. Allin](#)

Hang on the corner with all the boys, watch me girls
You're looking really good, tonight I'll be your bundle of joy Sometimes I want you around, and other times I
don't know where to be found
Hanging out can surely get me down All the guys say you're really keen, but I know, I've seen
They think that I'm feeling them, but I know what you're selling men Sometimes I want you around, and other
times I don't know where to be found
Hanging out can surely get me down You're looking good and your looking neat, oh baby you're looking sweet
Oh baby your looking hot, I want you baby, what you got Sometimes I want you around, and other times I don't
know where to be found
Hanging out can surely get me down Oh baby, oh yea, looking at you is like a cheri love affair
Mean magazines, film supremes, looking at you make me cream in my jeans
You got a nice body, got a real nice face, I'd like to take you to a real nice place Sometimes I want you around,
and other times I don't know where to be found
Hanging out can surely get me down
