Ice Cream, But No Reply

The Glasspack

Lord I'm hungry, so damn hungry
Tell me lord, am I just wastin' time?
Cause I'm hungry, so damn hungry.
And forever been waitin' in this line.
Guess I'll go to hell...
And have a barbeque sandwich.
Oh I'm dirty, so damn dirty.
Tell me lord, will you not serve my kind?
Cause I'm hungry, so damn hungry.
And forever been waitin' for your sign.
Guess I'll go to hell...
And have a barbeque sandwich.
Go...

The Reverendâ€™s Sermon

â€•And I say unto thee,
though shall wait a long time, a very very long
timeâ€¦
to eat of the fruits of heavenâ€¦
Though shall walk through pissâ€¦shitâ€¦pukeâ€¦
and agony.
There will be agony people!
â€¦
Agony as was felt by our lord Jesus Christ,
he was crucifed brothers!
HE WAS CRUCIFIED!!!!!!!!

He was thus crucified so that you can be
delivered to heaven free of sin.
But only you can accept him,
and wait patiently in hunger for him to come to
your heart,
and show you the way.
HUH, ONLY THROUGH JESUS CAN YOU EAT OF HEAVENâ€™S
ICE CREAM!!!!!!!!!!!!!â€•
