

Just Say So

Brian McFadden

(Just say so)

(Just say so)

(Just say so)(Just say so)

(Just say so)

(Just say so)I see the look disappearing from your eyes, eyes yeah

We complicate things every time we fight, fight yeah

Painting pictures in my mind, mind yeah

All this time I'm being blind, blindWell I tried so hard but it still goes onIf you're going to leave me, don't
hesitate, don't believe me

Just say so, just say so

Lovers cant be leaders, they need to scream feelings

They say so, they say soDamn feelings burning my spirit inside, inside yeah

I'm half the man you can barely recognise, recognise

Love can take me for a ride, ride yeah

Turning tables changing times, timesWell I tried so hard but it still goes onIf you're going to leave me, don't
hesitate, don't believe me

Just say so, just say so

Lovers cant be leaders, they need to scream feelings

They say so, they say soIf you're going to leave me, don't hesitate, don't believe me

Just say so, just say so

Lovers cant be leaders, they need to scream feelings

They say so, they say soIf you wanna feel like me, be like me yeah, me yea

If you wanna figure out me, be like me yeahIf you're going to leave me, don't hesitate, don't believe me

Just say so, just say so

Lovers cant be leaders, they need to scream feelings

They say so, they say soIf you're going to leave me, don't hesitate, don't believe me

Just say so, just say so

Lovers cant be leaders, they need to scream feelings

They say so, they say so(Just say so)

(Just say so)

(Just say so)(Just say so)

(Just say so)

(Just say so)
