Magnetized

Nick Murray

I can see it in your eyes
You?re a spirit I recognize
Feelings I cannot explain
And I don?t even know your name
Do we only live to die
Or is it that our hearts are Magnetized
And our worlds collide for a reason?
Do we only live to die
Or is it that our hearts are Magnetized
Going round and round like the seasons
Have I come to make amends
Are old enemies now my friends
And are you here to be my guide
To heal the wounds that I bear inside?
Do we only live to die
Or is it that our hearts are Magnetized

And our worlds collide for a reason?
Do we only live to die
Or is it that our hearts are Magnetized
Going round and round like the seasons
Been here many times before
With a different face from a different shore
Both here to discover the other again
Do we only live to die
Or is it that our hearts are Magnetized
And our worlds collide for a reason?
Do we only live to die
Or is it that our hearts are Magnetized
Going round and round like the seasons
Been here many times before
With a different face from a different shore
We?ve lived many lives before
Fought on different sides of a hundred wars
