Scissor Runner

Jenny and Johnny

She run with scissors
she delivers
all my mail
right under my dooryou're sincerely, lost completelyshe ain't a princess
but she's an artist
paintin' a portrait
all over my heartcolor's bleeding, so decievingno, I won't change
another thing
I cracked the bell
I tried to ringa scissor runner stole my heartI was on standby
catching the redeye
I missed by flight
she didn't mind (?)i'll forgive you, if I outlive youno I won't change
another thing
I cracked the bell
I tried to ringa scissor runner stole my heart (3x)uptown, downtown
all around a swingset
you say what you want
I don't ever lose bets
find me, lay low
in the san fernando
you ask me
well, I say, I don't
know
