

Today

John Denver

Today, while the blossoms still cling to the vine
Ill taste your strawberries, Ill drink your sweet wine
A million tomorrows shall all pass away
There I forget all the joy that is mine, today Ill be a dandy and Ill be a rover
Youll know who I am by the songs that I sing
Ill feast at your table, Ill sleep in your clover
Who cares what the 'morrow shall bring Today, while the blossoms still cling to the vine
Ill taste your strawberries, Ill drink your sweet wine
A million tomorrows shall all pass away
There I forget all the joy that is mine, today I cant be contented with yesterdays glory
I cant live on promises winter to spring
Today is my moment, now is my story
Ill laugh and Ill cry and Ill sing Today, while the blossoms still cling to the vine
Ill taste your strawberries, Ill drink your sweet wine
A million tomorrows shall all pass away
There I forget all the joy that is mine, today Today, while the blossoms still cling to the vine
Ill taste your strawberries, Ill drink your sweet wine
A million tomorrows shall all pass away
There I forget all the joy that is mine, today
