

# Am I Dreaming

## SelloRekt / LA Dreams

See I met him on the beach, in the summer, it was hot  
We were chilling in the island breeze  
Let me take you to your fantasy?  
(And I thought)  
Should I stay or should I go? 'cause I've been here before  
Should I even up the flow? Lay back and let it flow  
'Cause in my head I didn't think  
That I could fall in love with you  
And when we kissed under the moon, am I dreaming?  
He showed me things I never knew, am I dreaming?  
He knew exactly what to do, am I dreaming? Am I dreaming?  
Am I, am I dreaming? Am I dreaming?  
Got my heart up in his hands, what a beautiful man  
Dance bachata as we rock on the sand  
Put his hands upon my hips, start looking at his lips  
I'm the luckiest girl in the land  
And I can't believe the way you got me feeling right  
I don't wanna leave this place, stay right by my side  
'Cause in my head I never thought  
That I could fall in love with you  
And when we kissed under the moon, am I dreaming?  
He showed me things I never knew, am I dreaming?  
He knew exactly what to do, am I dreaming? Am I dreaming?  
Am I, am I dreaming? Am I dreaming?  
Baby, we should never let this go  
No, no, no, don't wanna be alone anymore  
'Cause what we have is something rare and I wanna know  
Are you real? Am I dreaming?  
And when we kissed under the moon, am I dreaming?  
He showed me things I never knew, am I dreaming?  
He knew exactly what to do, am I dreaming?  
Am I dreaming? I can't be dreaming  
And when we kissed under the moon, am I dreaming?  
He showed me things I never knew, am I dreaming?  
He knew exactly what to do  
I know, I know, I know that I'm not dreaming, no  
(Am I dreaming?)  
Am I, am I dreaming, am I dreaming?
