Hard Living Clean

Handsome Devil

It's so hard living clean 'cause I start to feeling mean
If you say the wrong thing I'm gonna bite
Everything is black and white where color used to be
Sobriety is miseryWake up in the morning
Kick the dog and hit the highway
Where I'll go? I don't knowWell I'm looking for a fine place but nothing suits my taste
Clean living gets me low so low, I got no place to go
Well I know I can't go homeIt's so hard living clean 'cause I start to feeling mean
If you say the wrong thing I'm gonna bite
Everything is black and white where color used to be
Sobriety is miseryI say, "Hello, how are you?"
But you see it in my eyes
My dope sick mindWell I was such a friendly guy
When I was getting high
Clean living gets me low so low
I have no place to go and I'm so fucking boredIt's so hard living clean 'cause I start to feeling mean
If you say the wrong thing I'm gonna bite
Everything is black and white where color used to be
Sobriety is misery, sobriety is miseryIt's so hard living clean 'cause I start to feeling mean
If you say the wrong thing I'm gonna bite
Everything is black and white where color used to be
Sobriety is boringIt's so hard living clean 'cause I start to feeling mean
If you say the wrong thing I'm gonna bite
Everything is black and white where color used to be
Sobriety is misery, sobriety is misery
