

Disco Inferno (Guido Osorio Diva Mix)

Cyndi Lauper

To my surprise, one hundred storeys high
People getting loose now, getting down on the roof
I tell ya', the folks were screaming, there was a', there was a' out of control, yeah
It was so entertaining when the boogie started to explode
I heard somebody say(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother down, yeah
(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother downSatisfaction, it came in a chain reaction
I couldn't get enough, so I had to self-destruct
I tell ya', I tell ya' now, now
The heat was on, it was a rising to the top
Well now, everybody's going strong, yeah that's when my spark got hot
I heard somebody say(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother down, yeah
(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother downUp above my head
I hear music in the air (I hear music, music)
That makes me know
There's a party somewhereSatisfaction, it came in a chain reaction
I couldn't get enough, so I had to self-destruct
I tell ya', I tell ya' now, now
The heat was on, it was a rising to the top
Well now, now, everybody's going strong, yeah that's when my spark got hot
I heard somebody say(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother down, yeah
(Burn baby burn) disco inferno, yeah
(Burn baby burn) burn that mother down(Burn baby burn) down
(Burn baby burn) burn that mother down, yeah
(Burn baby burn) down
(Burn baby burn)Just can't stop
When my spark gets hot
I just can't stop
When my spark gets hotYou'll rescue me
Let my spirit run free
You'll rescue me
Let my spirit run free
