Gypsy Song

Cerys Matthews

Rainclouds, moon shines
I know sun burns, stars earn shadows
Sing baby, brown eyes
You give me everything to try
I'm following gray skies
Gray skies lead me lost in the nightWe'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go
My room needs no walls
To cushion the blow, let's goMaybe you're right
Maybe I'm wrong
Climb till you're pacified
Fight till you're strong
We'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go
My room needs no walls
To cushion the blow, let's goWe'll talk till we're empty
Drink till we're blue
You can dare me to race you
You can pay me my dues
Your maybe's no answer
'Cause maybe it's you, let's goDance till we're tired
Eat till we're strong
We've a guaranteed window
And nothing can go wrong
We'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go
My room needs no walls
To cushion the blow, let's goDrink till you fall
Guaranteed window
And no weakness at all
Dance till you're tired
