Strange Deja Vu

Dream Theater

Subconscious strange sensation
Unconscious relaxation
What a pleasant nightmare
And I can't wait to get there againEvery time I close my eyes
There's another vivid surprise
Another whole life waiting
Chapters unfinished, fadingCloser now, slowly coming into view
I've arrived, blinding sunshine beaming throughThere's a house I'm drawn to
Familiar settings, nothing new
And there's a pathway leading there
With a haunting chill in the airThere's a room at the top of the stairs
Every night I'm drawn up there
There's a girl in the mirror
Her face is getting clearer
Young child, won't you tell me why I'm here?In her eyes, I sense a story never told
Behind the disguise
There's something tearing at her soulTonight I've been searching for it
A feeling that's deep inside me
Tonight I've been searching for
The one that nobody knows
Trying to break freeI just can't help myself
I'm feeling like I'm going out of my head
Tear my heart into two
I'm not the one the sleeper thought he knewBack on my feet again
Eyes open to the real world
Metropolis surrounds me
The mirror's shattered the girlWhy is this outside life
Haunting me every day?
I'd break through to the other side
If only I'd find the waySomething's awfully familiar
The feeling's so hard to shake
Could I have lived in that other world?
It's a link that I'm destined to makeStill searching but I don't know what for?
The missing key to unlock my mind's doorToday I am searching for it
A feeling that won't go away
Today I am searching for
The one that I only know
Trying to break freeI just can't help myself
I'm feeling like I'm going out of my head

Tear my soul into two
I'm not the one I thought I always knewI just can't help myself
I'm feeling like I'm going out of my head
Uncanny, strange deja vu
But I don't mind, I hope to find the truth
