

Message In Blood (Demo)

Pantera

There's a place that I keep deep inside me
It can trigger my mind
All along I knew it has been with me
Since I was just a child I just summon power within my soul
It has given me life, beyond life
I take blame for my murderous problem
My signature always reminds It's a message in blood
It's your cryptic warning
Within the message in blood
Marks the years of pain,
And your godforsaken ending to life I'm provoked into sick confrontations,
Brutal time after time,
Bed of nails, suffocation, life's ending,
Slay in different designs
One man's misery is another man's mystery
No one cares to understand my
Demented means
Sticks and stones can break all your brittle bones,
Epitaph written at your feet It's a message in blood
It's your cryptic warning
Within the message in blood
Marks the years of pain,
And your godforsaken ending to life It's a message in blood
It's your cryptic warning
Within the message in blood
Marks the years of pain,
And your godforsaken ending to life Message in blood
Message in blood
Message in blood
Message in blood
