

Bad Day

Blur

Do you do anything you ever do?
No, she said
Do you want anything you ever wanted?
No, she said She don't know how, how to feel
This is a bad day, this is a bad day to know Do you have anything you ever had?
No, she said
Do you love anyone you ever loved?
Yes, she said She don't know how, how to feel
This is a bad day, this is a bad day to know
She don't know how, how to feel
This is a bad day, this is a bad day to know [Incomprehensible] She don't know how, how to feel
This is a bad day, this is a bad day to know
She don't know how, how to feel
This is a bad day, this is a bad day to know To know, to know
