Bad Day

Blur

Do you do anything you ever do?

No, she said

Do you want anything you ever wanted?

No, she saidShe don't know how, how to feel

This is a bad day, this is a bad day to knowDo you have anything you ever had?

No, she said

Do you love anyone you ever loved?

Yes, she saidShe don't know how, how to feel

This is a bad day, this is a bad day to know

She don't know how, how to feel

This is a bad day to know[Incomprehensible]She don't know how, how to feel

This is a bad day, this is a bad day to know
