On The Way Home

Buffalo Springfield

When the dream came
I held my breath with my eyes closed
I went insane
Like a smoke ring day when the wind blows
Now I won't be back 'till later on
If I do come back at all
But you know me and I miss you nowIn a strange game
I saw myself as you knew me
When the change came
And you had a chance to see through me
Though the other side is just the same
You can tell my dream is real
Because I love you can you see me nowThough we rush ahead to save our time
We are only what we feel
And I love you Can you feel it now?
