I'm Diggin' It

Confederate Railroad

Cool song on the radio
FM ESP DJ just readin' my mind
(That's fine)He's a master blaster dancin'
Round in my underwear
BVD sexy I'm lookin' good
(Real good)Oxygen stratocaster
My, my, my mood ring
Shinin' like a diamond
I got no, got no, got no worriesI'm just diggin' it
Nothin' but net and that's
As good as it getsI'm diggin' it
Clickin' the dial with a satisfied smile
I'm diggin' itKiss my grits and call me darlin'
Ain't too proud to beg your pardon
Hey baby, life is a gardenI'm diggin'
(Diggin')
Diggin'
(Diggin')
Diggin'
(Diggin')
Diggin' itWhoaKnock, knock, who's there
It's a 5 foot somethin'
Dixie dunplin' makin' me blush
(Oh hush)Give me palpitations
Perfume, bubble gum
Copper tone right to the bone
Got it goin' on
(That's strong)Feelin' excitation
My, my, my, my, my heart is double timin'
You make me, make me, make me
Girl you make me feel so fineI'm just diggin' it
Nothin' but net and that's
As good as it getsI'm diggin' it
Clickin' the dial with a satisfied smile
I'm diggin' itKiss my grits and call me darlin'
Ain't too proud to beg your pardon
Hey baby, life is a gardenI'm diggin'
(Diggin')
Diggin'

(Diggin')
Diggin'
(Diggin')
Diggin' itWhoaMy, my, my, my, my heart is double timin'
You make me, make me girl, you
Make me feel so fineI'm just diggin' it
Nothin' but net and that's
As good as it getsI'm diggin' it
Clickin' the dial with a satisfied smile
I'm diggin' itKiss my grits and call me darlin'
Ain't too proud to beg your pardon
Hey baby, life is a gardenI'm diggin'
(Diggin')
Diggin'
(Diggin')
Diggin'
(Diggin')
Diggin' it
