

# Without You in My Life

## Dub Sex

It would be winter but never Christmas  
Summer with no Fourth of July  
    A train bound for Paris  
    That passes right on by  
Heavy clouds that never rain  
    Oh I never hear the music  
    When you sing my name  
        Looking back  
That's what it would be like  
    Without you in my life  
Chocolate cake without the icing  
    Sleep but never dream  
Indigo sky without the starlight shining  
    When you're lying next to me  
        Just a thought  
    On the tip of my tongue  
    I try so hard to remember  
But the thought just wouldn't come  
    Looking back  
That's what it would be like

    Without you in my life  
    Though I miss the taste  
The touch the feel of falling into you  
    Lost on the horizon  
    Sailing on the blue  
        Looking back  
That's what it would be like  
    Without you in my life  
It would be winter but never Christmas  
Summer with no Fourth of July  
    A train bound for Paris  
    That passes right on by  
Heavy clouds that never rain  
    Oh I never hear the music  
    When you sing my name  
        Looking back  
That's what it would be like  
    Looking back

That's what it would be like  
Without you in my life.
