Love Don't Love Nobody

The Spinners

Sometimes a girl will come and go
You reach for love but life won't let ya know
That in the end, you'll still be lovin' her
But then shes gone, you're all aloneSign of pain is on my face
Well, my heartbeat stops
But I won't take the blame, no no

I gave her all the love, I had within

My love was strong

Somethin' went wrong, no noIt takes a fool to learn, yes sir

That love don't love nobody

Love, love, love, love, love

It takes a fool to learn, yes it does, girlThat love don't love no one

That love don't love no one

It takes a fool to learn

Stop to think about it, well

That love don't love nobody, oh oh noIt takes a fool to learn

When you're down and out, shout about it

That love don't love no more

Tell the world, ooh babe, no more, ohh babeIt takes a fool to learn

Gotta be more careful about myself

That love don't love nobody

It takes a fool to learn

Woah baby, took me a long time to learn, to learn, wellThat love don't love no one

It takes a fool to learn

I was a fool, you were a fool

That love don't love nobody

Now we got love, we need love

It takes a fool to learn
