

Little Stranger (In a Manger)

[Marty Robbins](#)

Praise and glory to the highest little stranger here on earth
Little stranger in a manger little stranger sweet and mild

Mother Mary there with Joseph watches o'er you, their holy child

Searching for you to adore you came Three Kings led by a star

Little stranger in a manger they'll find heaven where you are
Choirs of angels are singing this night of your birth

Praise and glory to the highest in a stable on earth
Humble shepherds filled will wonder

Kneel and pray by lantern light

Little stranger in a manger bless us all this holy night
