First Heartbreak

Tori Kelly

[verse 1:]
You never hear me singing love songs, wasn't big on poetry
Never cried in the movies, didn't want to feel so weak
I would never talk about it, never let it get to deep
But there's something in me changing; guess you did something to me[chorus]
Cause for the first time i get worried when i'm looking in your eyes
That one day, you might leave me, and it keeps me up at night
I guess that means i really love you, cause i'm afraid to make mistakes
If you ever left me, that would be my first heartbreak[Post-Chorus]
ooh-ooh ooh-ooh
ooh-ooh ooh-ooh
If you ever left me, that would be my first heartbreak[Verse 2]
Maybe i shouldn't be thinking so far ahead
Better just enjoy this moment and be happy for what i get
But you know it's not that easy, to get out of my head
So i guess that it's a good thing when you want something so bad[chorus][bridge]
I wanna run, i wanna stay
Hold every piece so it won't break
Wanna let go, wanna hold tight
Afraid that i might suffocate
You with my love
How much is enough?
How much is too safe?[chorus][Post-Chorus]
