

# Rough Justice

## Trans AM

The young don't grow up well not in this life

Big mouths and money win every time

Boy beats girl while the sneaky and snide

Take all your money and take your pride

Innocent people walking by

No time to smile before they die

Don't call that justice!

Children are starving on the street

Another one disappearing every week

Don't call that justice!

King for a day

But their kingdom grows cold

They'll never grow up

But they're bound to grow old

I remember the pain and humiliation

And I'll show them rough justice

The way that they did

Innocent people walking by

No time to smile before they die

Don't call that justice!

Children are starving on the street

Another one disappearing every week

Don't call that justice!

Innocent people walking by

No time to smile before they die

Don't call that justice!

Children are starving on the street

Another one disappearing every week

Don't call that justice!

Boy beats girl while the sneaky and snide

Take all your money take all your pride.

Innocent people walking by

No time to smile before they die

Don't call that justice!

Children are starving on the street

Another one disappearing every week

Don't call that justice!

Innocent people walking by

No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
Don't call that justice!
