Someone New

Eskobar

So is it goodbye?
Is it time to set you free?
Is it time to let it fly?
Is it time to let it bleedWe used to take turns
To cover up the pain
And deep below it burns
And the feelin' still remainsYou're gonna find someone new
I really hope you do, 'cause I love you
And the sun will come on through
It's gonna shine for you 'cause I adore youYes we gave it a try
But maybe for too long
Out of every sorrow
Another day will dawnYou're gonna find someone new
I really hope you do, 'cause I love you
And the sun will come on through
It's gonna shine for you, 'cause I adore youAnd the road travels on
But I'm still near you
In my life, like a song
I will still hear you, stillYou're gonna find someone new
I really hope you do, 'cause I love youYou're gonna find someone new
I really hope you do, 'cause I love you
And the sun will come on through
It's gonna shine for you, 'cause I adore youYou're gonna find someone new
I really hope you do, 'cause I love you
And the sun will come on through
It's gonna shine for you, 'cause I adore youThe sun will shine for you
The sun will shine for you
'Cause I adore youThe sun will shine for you
The sun will shine for you
'Cause I adore youThe sun will shine for you
The sun will shine for you
'Cause I adore youThe sun will shine for you
The sun will shine for you
'Cause I adore you
