

My Day

Canton Jones

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Some reason, I woke up on the right side of the bed
And you were the first thing in my head
I can't complain but I praise you instead
'Cause it's my day

It's my season and I will start with my own attitude
I'll express my love and gratitude
'Cause my attitude will change my latitude
Things will go my way

'Cause it's my day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Today, I'll let go what's happen in my past
And the time that I had somehow finished last
I'll ball it up and throw it in the trash
'Cause it's my day

I'm smiling 'cause I know that today is the day
I'm happy now because of yesterday
But I'm happy 'cause I'm starting with today

Things will go my way

'Cause it's my day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

I'm tired of getting up in the morning
With the same old rutt and same old cut, buggin' me
The doctor keep druggin' me
And I'm sluggish and I can't get out of bed

But instead I'm a look to the light man
Stumblin' with my wife man
I will do right man, fly like a kite man
I was doing wrong to long
And I'm sick and tired of singing sad songs
I'm a kick them bad songs

I will not wait on anythings to happen
I will make it happen
I will take some action now
Await on another day
God said make your way, I will take today

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day
Today's gonna be a good day

This is the day that the Lord has made
It's gonna be a good day
And I will rejoice and be glad
And it is gonna be a great day

For this is the day that the has Lord made

It's gonna be a good day

And I will rejoice because it's my day
