# The Real Deal

## Precinct 13

This is who I am
What I believe
No trick in my pocket, baby
Nothing up my sleeve
And this is what you get
For a hundred dollar bill
I know I ain't cheap, baby
But I?m the real deal, yeah
And this is how I dance
The way I sing, what I drink
Here?s what?s happening
Oh, this is who I am
The way I walk
The way I dress
That's the way I talk
Come on Roy talk to them
Oh, this is what you get
For your hundred dollar bill
I know I ain't cheap, baby
But it?s the real deal, the real deal
Yeah, hundred dollar bill
This is whatcha get
This is whatcha get
Hundred dollar bill
Well, this is who I am, yeah
