

Love, Love, Lovely World

RF7

Weâ€™re so happy
life is so good,
walkinâ€™ the streets
begginâ€™ for food.
Timeâ€™s a wastinâ€™
sun going down,
tough to find shelter
in this crazy town.

Itâ€™s a love, love, lovely world, a love, love, lovely world.

Found some shoes
they fit pretty good,
beautiful summer
in olâ€™ Hollywood.
Bum on the street
canâ€™t tell if heâ€™s dead,
guy in the Rolls
just shakinâ€™ his head
