

In the Zone (feat. Erika Spring)

Airbird & Napolian

Oh, you're in the danger zone, get out, alright

Oh, you're in the danger zone, get out, get out

Oh, you're in the danger zone, get out, get out

Feel it go round and round now

Feel it go round and round now

Danger zone, get out, get out, get out

Alright, alright

Feel it go round and round now

Feel it go round and round now

Alright, get out, get out

Feel it go round and round now

Feel it go round and round now
