Duck. Duck. Grey Goose

Let's Get It

You've got nerves
That's okay babe.
Cuz I've got time,
I'll give you all day.
I'm the king of this town
I'm sure you'll come around
Just wait till you see the crownI hate to say I'm a pro at this game.
To throw the towel now
Will put my name to shame
So I'll set the pace to our beating hearts
And when it's all said and done
You're gonna we wish we started sooner.[x2]
I'm sure
All she saw was
A waterfall of champagne
We make it rain
All day, all day
Everyday.As you enter the room
Your pulse goes wild
Like a wild storm through a mild town
You're just hanging on for the ride.THERE'S BEASTS AND THEN THERE'S PREY!For some it's a choice
For most it's the way
We talk about you
We almost have you
We're all around youSO GLAD WE FOUND YOU[x2]
I'm sure
All she saw was
A waterfall of champagne
We make it rain
All day, all day
Everyday.Hey darling,
Shake the stars from your eyes
Make your way to my room
I'll give you a surprise
Its....
Glistening and shining
So brightly its blinding.(ladies and gentleman,
Boys and girls,
I give you the one and only)....LETS GET ITLook quick quick, get a picture of this,

Another band-aid for this broken thing,
And good god almighty this ain't a scene,
Its such a catastrophe.
