Hallowed Be Thy Name

Iced Earth

I'm waiting in my cold cell when the bell begins to chime
Reflecting on my past life and it doesn't have much time
Cos at 5 o'clock they take me to the Gallows Pole
The sands of time for me are running lowWhen the priest comes to read me the last rites
I take a look through the bars at the last sights
Of a world that has gone very wrong for meCan it be there's some sort of error?
Hard to stop the surmounting terror
Is it really the end not some crazy dream?Somebody please tell me that I'm dreaming
It's not so easy to stop from screaming
But words escape me when I try to speakTears they flow but why am I crying?
After all I am not afraid of dying
Don't believe that there is never an endAs the guards march me out to the courtyard
Someone calls from a cell, "God be with you"
If there's a God then why has He let me die?As I walk all my life drifts before me
And though the end is near I'm not sorry
Catch my soul cos it's willing to fly awayMark my words please believe my soul lives on
Please don't worry now that I have gone
I've gone beyond to see the truthWhen you know that your time is close at hand
maybe then you'll begin to understand
Life down there is just a strange illusionYeah yeah yeah
Hallowed be thy name
Yeah yeah yeah
Hallowed be thy name
Yeah
