People won't be people  
When they hear this sound  
That's been glowing in the dark at the edge of town People won't be people  
No, the people won't be people when they hear this sound  
Won't you show me what begins at the edge of town People won't be people  
When they hear this sound  
That's been glowing in the dark at the edge of town People won't be people  
No, the people won't be people when they hear this sound  
Won't you show me what begins at the edge of town Singer is a crook, whoa, ey, oh  
Singer is a crook, whoa, ey, oh  
Singer is a crook, whoa, ey, oh  
Singer is a crook, whoa, ey, oh Kitchen is the cook, whoa, ey, oh  
Scissors are the barbers, whoa, ey, oh  
Singer is a crook, whoa, ey, oh  
The chorus full of actors People won't be people  
When they hear this sound  
That's been glowing in the dark at the edge of town People won't be people  
No, the people won't be people when they hear this sound  
Won't you show me what begins at the edge of town People won't be people  
When they hear this sound  
That's been glowing in the dark at the edge of town People won't be people  
No, the people won't be people when they hear this sound  
Won't you show me what begins at the edge of town Singer is a crook, whoa, ey, oh  
Singer is a crook, whoa, ey, oh
