Beck

Lay your arms down
Say your prayer
Live the day before you turn it
Live the day before you turn it
Live the day before you turn it
On and offLive the day before you turn it
All aroundOh, Karen! (Turn it all around, whoa-oh-oh)
Oh, Karen! (Turn it all around, whoa-oh-oh)Why are you so confident?
Why are you so confident?
Why are you so confident?
Turn it all around
Turn it all around
