

Swine

Lady Gaga

Hush up
Don't speak don't wanna hear another
(Not another word from you)
You're just a ani-
Mal tryin' to act real special
(But deep down you are just a shrew) Maybe I should have a little more just to stay out of my mind
'Cause its when I'm not thinking with you that I act like a swine
Act like a swine
Act like a swine I know I know I know I know you want me
Your just a pig inside a human body
Squealer squealer squeal out you're so disgusting
You're just a pig inside
Do ya I know I know I know I know you want me
Your just a pig inside a human body
Squealer squealer squeal out you're so disgusting
You're just a pig inside Swine
Swine
Swine
Swine Be that
Hog sweat it out you squealer
(Let your body jiggle)
Slap her skin-he
Love to watch her ass go wiggle
(It's the feel of ecstasy) Maybe I should have a little more just to stay out of my mind
'Cause its when I'm not thinking with you that I act like a swine
Act like a swine
Act like a swine I know I know I know I know you want me
Your just a pig inside a human body
Squealer squealer squeal out you're so disgusting
You're just a pig inside
Do ya I know I know I know I know you want me
Your just a pig inside a human body
Squealer squealer squeal out you're so disgusting
You're just a pig inside Swine
Swine
Swine
Swine Paint your face and
Paint his face and catch the beat
Paint your face and

Paint her face and catch the beat
Paint your face and
Be a swine just catch the beat
For the weekend
Catch the beat
C-catch the beat
Huh huh
C-catch the beat
C-catch the beat
Swine
