

# Can't Stop Now

[Reba McEntire](#)

I can't say, "I didn't know what I was doin'"  
I can't pretend, things just got outta hand  
I should've kept my distance while I was still strong  
But I got caught up in the feelin'  
Carried along and it's too late baby  
I can't stop now  
Well I walked right in with my eyes wide open, I did  
And I was blind when you told me  
"You'll be mine just as soon as you were free"  
I should have kept my distance while I was still strong  
But I got caught up in the feelin'  
Carried along and it's too late baby  
I can't stop now  
Can't stop now  
Crazy heart's runnin' outta control  
Can't stop now  
And I'll be fallin' apart somewhere down the road  
I might be headed for a breakdown but I can't stop now  
Breakdown
