

Straight (Feat Theresa Andersson)

Assembly of Dust

I am all that a man can be
muscle, bone insecurity
I reassess the referencee points I use
Some of them are modest, some are huge.
If you ask my lovers what I am-
they sould tell you I am a complex man
I rendevoux with women who agree to prominade my passion, and let me be.
Cool water adn cold distain keep me standing sturdy and strai
I know I could have been something more
but it stikes me as a bore this (?)Im a man with a (?) fuse.
Deep pesimissm and a love of fear
I quantify the qualities I price
reasess your meanings and meet your eyesCool water and cold mistakes
keep me standing sturdy and strait
I know I could have been something more
but strikes me as a bore
this mistakeCool water and clean cocaine
keep me standing sturdy and strait
I know I could have been somthing more
but It strikes me as a bore this (?)
