Going Places

GOING PLACES - Thoja

Am going places in the Lord,
letting everyone know my destiny
I bring glory to the name of the Lord,
So he can bless me more and more x2

Am going places, more higher places
Even though I fall, he will lead me higher
Cos enemy plenty, Jehovah mighty
He will guard me through all these calamities
Jehovah is wonderful, Jehovah is faithful,
Jehovah is marvelous so am going places

Chorus x2

Am free for he set me free
Am saved for he died for me
Am healed for he shared His blood for me
Now am free indeed, cos he paid the price for me, yeah

Hallelujah (reverb)

Am going places x3

Chorus x2

More x3

So can He bless me more and more
(Till fade)
