

Then He Kissed Me

The Crystals

Well, he walked up to me and he asked me if I wanted to dance
He looked kinda nice and so I said I might take a chance
When he danced he held me tight
And when he walked me home that night
All the stars were shining bright
And then he kissed me Each time I saw him I couldn't wait to see him again
I wanted to let him know that he was more than a friend
I didn't know just what to do
So I whispered I love you
He said that he loved me too
And then he kissed me He kissed me in a way that I've never been kissed before,
He kissed me in a way that I want to be kissed forever more I knew that he was mine so I gave him all the love
that I had
And one day he took me home to meet his mon and his dad
Then he asked me to be his bride
And always be right by his side
I felt so happy I almost cried
And then he kissed me Then he asked me to be his bride
And always be right by his side
I felt so happy I almost cried
And then he kissed me
And then he kissed me
And then he kissed me
