When God'S People Pray

Wayne Watson

Trouble knockin' on your window pane stormy weather at your door
And the outlook for the day ahead like the day before
People tell you prayin' changes things, but the words don't stop the fear
The prayer is only pious repelling without a Father's earHe will not turn away when His people prayWhen God's people pray
And take the pains of earth to the doors of Heaven
When God's people pray
There is hope reborn, there is sin forgiven
And merely 'cos you can't explain a way
When God' people prayHopeless situation turns around, dilemma passes by and by
Look, there's a never-ending field of blue past your clouded sky
He alone can know the need in me before a single word begins
The Holy Spirit intercedes for me, I will trust in HimNo, He will not turn away when His people prayWhen God's people pray
And take the pains of earth to the doors of heaven
When God's people pray
There is hope reborn, there is sin forgiven
And merely 'cos you can't explain a way
(When God's people pray)When God's people pray
There is hope reborn, there is sin forgiven
And merely 'cos you cannot explain a way
(When God's people pray)When God's people pray
Take the pains of earth to the doors of heaven
When God's People pray
(There is hope reborn)
There is hope
(Sin forgiven)And merely 'cos you cannot explain a way
No, no, no, no
When God's people pray
Take it home
(When God's people pray)
When God's people pray
(There is hope reborn, sin forgiven)
There is sin forgiven
And merely 'cos you can't explain a way
No, noWhen God's people pray
And take the pains of earth to the doors of heaven
When God's people pray
There is hope reborn, there is sin forgiven

And merely 'cos you can't explain a wayWhen God's people pray
Oh, When God's people pray
When God's people pray
