

I Hear a Symphony

Diana Ross and the Supremes

You've given me a true love
And every day I thank you love
For a feeling that's so new
So inviting, so exciting Whenever you're near
I hear a symphony
A tender melody
Pulling me closer
Closer to your arms Then suddenly
(I hear a symphony)
Ooh, your lips are touching mine
A feeling so divine
'Till I leave the past behind
I'm lost in a world, made for you and me Whenever you're near
I hear a symphony
Play sweet and tenderly
Every time your lips meet mine now, baby Baby, baby
You bring much joy within
Don't let this feeling end
Let it go on and on and on Now baby, baby, baby
Those tears that seem my eyes
I cry not for myself
But for those who never felt the joy we felt Whenever you're near
I hear a symphony
Each time you speak to me
I hear a tender rap so day of love now Baby, baby
As you stand holding me
Whispering how much you care
A thousand violins fill the air Now baby, baby
Don't let this moment end
Keep standing close to me
Ooh, so close to me, baby, baby Baby, baby
I hear a symphony
A tender melody
