## E.S.G.

It's my world  
It's my world  
Running, breathing, deceiving  
Take and make what you breath in  
Know me, show me, hardly  
No you can't A and R me  
I pretend I don't exist, I close my eyes and wish  
Taste like liquorice and sound so devilish  
Slide across the floor, move a little more  
Take a sip and pour, I've heard it all before  
It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream, make me skim  
It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream, make me skim  
They say where have you been  
What you're leaving in  
Clean crawl far I could even more  
(I'm feeling)  
I should have to seesaw  
(Kill)  
(I offer a 3, 4)  
I crawl across the floor  
(So you live more)  
In the day mix  
(So you live more)  
They play cheap tricks  
I pretend I don't exist

I close my eyes and wish  
My thoughts are devilish  
My thoughts are just a wish  
It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream make me skim

It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream make me skim  
It's funny how you feel  
The eyes in your head  
The brain and spine  
Releases fluid when you're dead  
Then you start to shed  
Turning to something else instead  
Something else was said  
Someone else's sunset was red  
It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream make me skim  
It's my world, gonna take it now  
Make it now, make it shout  
All this green gonna make me mean  
Make me dream, make me skim  
It's my world  
It's my world
