

Beat Me Senseless

Circle Jerks

i'd swim the ocean in a suit of lead, you'd stand there, throw rocks at my head. cut me open, watch me bleed is
this what you really need? beat me senseless you gotta beat me senseless twist my arms, break my bones make
me lie on burning coals twist my legs, punch my nose break my will don't ... take my hey, i'm okay, c'mon do it
again rocks my brain, drivin' me insane i'm a man on my knees now i'm hurt, now i'm cryin' swallow , walk on
glass throw me to the lions i want to
