Wraith

Peace

You close your eyes on leather-hearted boys.
It's such a waste, cut your silky noise.Oooh, I don't wanna see you
Oooh, I don't wanna see youYou could be my ice-age sugar,
You lay me down and make me shiver,
Blow me like a floating feather,
And we'll be dark, we'll be dark, we'll be dark forever.It's no surprise, she had spiky jagged claws
She's such a wraith, a lady of the sword.Ooh, I don't wanna see you
Ooh, I don't wanna see you
Ooh, I don't wanna see you
Cause baby boy I don't wanna hear youYou could be my ice-age sugar,
You lay me down and make me shiver,
Blow me like a floating feather,
And we'll be dark, we'll be dark, we'll be darkYou could be my ice-age sugar,
You lay me down and make me shiver,
Blow me like a floating feather,
And we'll be dark, we'll be dark, we'll be dark forever.
