

Let the Groove Get In

Justin Timberlake

Are you comfortable?
Right there, right there
Let the groove get in
There there, right there
[REPEAT x 10]C'mon...
Shake... like you know you got somethin' to prove little mama
Mooove
Like the grooves takin' over you
Make no mi...stake
You're in the place to be by far
So let's get... crazy
Like we ain't never gonna see tomorrowAre you comfortable?
Right there, right there
Let the groove get in
There there, right there
[REPEAT x 4]Let the... grooooooove... Get into youShake... like you know you nothin' to lose
Make it... Mooove
Girl you know what we came to do
Make no mi...stake
You're in the place to be by far
So let's get... crazy
Like we ain't never gonna see tomorrowAre you comfortable?
Right there, right there
Let the groove get in
There there, right there
[Repeat x 4]Cause when the groove get's on
