

# One Woman Man

George Jones

If you told me that you love me  
I would feel so proud  
If you'd let me hold you honey  
I'd holler out loud  
I'll never love another  
Even if I can  
Come to me baby I'm a one woman man.[Chorus]  
Won't you let me baby just a kind of hang around  
I'll always love you honey and I'll never let you down  
I'll never love another even if I can  
Well come to me baby I'm a one woman man.I'd climb the highest mountain  
If it reached a bigger sky  
To prove that I love you  
I'd jump off and fly  
I'd even swim the ocean  
From shore to shore  
To prove that I love you  
Just a little bit more.[Chorus]If you told me that you love me  
I would feel so proud  
If you'd let me hold you honey  
I'd holler out loud  
I'll never love another  
Even if I can  
Come to me baby I'm a one woman man.[Chorus]
