

# Erase You (feat. Lady V) - Nifra Remix

Markus Schulz

While you sleep  
I'm still wide awake  
My mind's a maze and I can't escape  
It's a endless dance cos I know  
I can't erase you  
Every street  
Leads me back to you  
And every windows has lost its view  
It's a endless dance cos I know can't  
erase you  
I can't erase you  
I can't erase you  
I can't erase you  
I can't erase you  
Your words, take over my words  
Your thoughts, turn into my thoughts  
Your eyes  
change everything I see  
Your touch, burnt into my skin  
Your love, lingers like poison  
Your heart  
beats like a drum in me  
Staring at the moon all I see is a white Mirrorball  
The silence is a symphony playing with no sound at all  
Cos you stole the light like a thief in the night  
Standing on a dark empty stage and I can't  
erase you  
I can't erase  
I can't erase  
I can't erase  
I can't erase  
I can't erase  
I can't erase
